1.1 During 2017-18 it was decided by MHA to develop Model / Smart village with cluster approach closer to the border areas to be included in the block level AAP for implementation in a time frame of 3-4 years in phased manner. At least one village in each border block is to be developed as Model / Smart village in the coming 4-5 years. This Model / Smart village will become a center of socio economic activities in due course of time which will help to contain migration of people to hinterland. Guidelines attached (Flagged A).

1.2 Accordingly, necessary proposals have been received from the respective DCs and BGFs, compiled and placed below as **Annexure – I** for consideration.

Decision :

The schemes proposed by the concerned Deputy Commissioners (DC's) and BGFs were discussed and after threadbare discussion, the Chairperson suggested for selection of more proposals for creating durable assets in the border areas and asked to submit alternative proposals against all the proposals proposed for 'C/o toilet' except toilet for school / hostel. The proposals for construction of toilets are to be taken up under SBM (G) through PHE&WS Department. The State Level Screening Committee (SLSC) has considered all the proposals and recommended for onward submission to the MHA for their consideration except the proposals of Model / Smart village. The detail project report for the proposed Model / Smart village must be submitted within 20th July'2017 to Planning Department for taking further necessary action for onward submission to MHA. Further, while taking part in the course of
